Famoso Neapolitan Pizzeria

105 2303 4th St. SW

403.455.3839

When was the last time you went to a pizzeria? Maybe you've been to a "pizza Place" or a pizza restaurant" but what about a true "pizzeria"?

Famoso presents the pizzeria as another social dining option available to consumers and neighborhoods. Whether you're looking for a casual lunch, a wine-filled evening, or scoop of gelato and a cappuccino, Famoso will provide the atmosphere you're looking for.

In the summer of 2005 co-owner Justin Lussier traveled throughout Italy and Naples and fell in love with the mouth-watering fire-roasted pizzas served throughout the country. After eating at Pizzeria Sorbillo in Naples, Justin found a payphone and immediately called his friends and future partners, Jason Allard and Christian Bullock. They soon decided that they needed to bring authentic Neapolitan pizza to Canada. Visit Calgary's only location here on 4th Street SW!

CBIZ Clean Team

We need your help.....in order to continue the CBIZ Clean Team Program into 2011 we require your assistance.

This joint venture with the City Of Calgary and CBIZ was initiated in 2006 and has greatly improved the cleanliness of our streets. If the funding for this program is cut for lack of support by the business owners and residents it will be detrimental to the streetscape within the boundaries of the 5 inner city BRZ's; one of which is 4th Street!

We currently have a petition circulating which you can sign or feedback through email would be greatly appreciated. Email's can be sent to info@4streetcalgary.com. Contact the 4th Street BRZ office and speak with Jennifer or Monique with regards to our request and/or any questions you may have. We strongly encourage you to voice your opinion.

It is crucial that we keep this maintenance program running!

**The 4th St. BRZ Annual General Meeting will be held on Wed Oct 13, 2010
4th St. Business owners can expect to receive an invitation in the mail during the
week of Sept 17th**

SAFETY TIP

Please dial carefully! The Calgary Police Service and other Emergency Services remind office staff to dial carefully if they use a dial 9 pre-fix. Everyday numerous misdials tie up emergency resources. Please dial carefully and if you connect to "911" by accident, please stay on the line. Do not hang up. Your co-operation is appreciated!

Emergency vehicles – do you know what to do?

In an emergency, every second counts — police, fire and Emergency Medical Services (EMS) personnel need you to clear the way as quickly and safely as possible. The Calgary Police Service recommends treating every emergency vehicle as if it was going to your own home or was on the way to help someone you know. Here's how to let emergency vehicles pass you safely:

When you see an emergency vehicle behind you on an undivided road, immediately pull over to the right-hand curb and come to a complete stop.

If you are travelling on a one-way street or on a road divided by a median, pull over to the right whenever possible; otherwise pull over to the nearest curb.

It is also important to pull over to the right if an emergency vehicle is driving towards you, as this will give the vehicle room to pass if traffic is blocking its path.

Once the emergency vehicle has gone by, pause and shoulder check or look ahead to ensure that no other emergency vehicles are following the first one. (You must wait until the emergency vehicle is at least 150 metres in front of you before driving on.)

If you are already stopped for a red light and an emergency vehicle comes up behind you, get out of the way as soon as it is safe to do so. This might mean you have to turn away from your intended destination, but it will help the emergency vehicle get through the intersection faster.

If you approach an intersection and hear a siren but don't see an emergency vehicle, slow down and cautiously check all directions before proceeding, even at a green light.

Frequently check your mirrors while you are driving, to stay aware of what other drivers are doing around you. You may not hear sirens, but if you notice other vehicles pulling over to the curb, you should stop as well.

A loud stereo or talking on your cell phone can interfere with your ability to hear sirens, so it is best to keep the music low and the phone turned off.

Remember: Slow down when lights are flashing

When you pass a police cruiser, ambulance, fire truck or tow truck that is parked with its lights flashing, it is very important to slow down — people might be working near those vehicles. The same goes for construction zones. Here's what to do:

When approaching an emergency vehicle, reduce your speed to under 60 km/h unless the posted speed limit is lower.

If you are on a multi-lane highway, those travelling in the lane closest to the emergency vehicles must reduce their speed. You can continue at the posted speed limit in the inner lane as long as there is at least one lane between you and the emergency vehicles.

Fines for failure to abide by these rules are approximately double the amount of fines issued for regular speeding tickets.

Writer in Residence Manuscript Submission & Consultation September – November 2010

As Writer in Residence, Gail Bowen will be a mentor to writers in the community, reviewing manuscripts and providing constructive criticism and advice during individual consultations. She offers encouragement and a critical eye to beginning writers who are seeking to find their own literary voice, as well as to those more established writers who desire a professional appraisal of their work. Consultations are available by appointment only. You must have a current Calgary Public Library membership in order to participate in this program. For details on how to submit a manuscript for review, please see the Manuscript Submission Guidelines posted on the Writer in Residence blog at www.calgarypubliclibrary.com or call Memorial Park Library at 403.221.2006.
